- 1) A valid passport;
- 2) If I have never had a residence permit, **proof of the date I moved to France:** lease contract, certificate of ownership issued by a notary, home insurance contract, certificate of home insurance or work contract;
- 3) If I am a student, either: **my certificate of enrollment** in a public or private educational establishment;  
Or, if I am a student studying abroad through an EU program (ERASMUS, LEONARDO) or a multilateral program: a **document from my home establishment** justifying that I am studying abroad thanks to an EU program, or a program including study abroad in one or several EU member states or an agreement between at least 2 higher education establishments located in at least 2 EU member states;
- 4) If I am a student enrolled in the same program of study for more than one year, **proof that I am enrolled in my program:** either grade transcripts from my last academic school year; my diploma; or an attestation of attendance.

**I am a researcher:**

- I am conducting research or working at a higher education establishment as a researcher
- OR
- I am a researcher who has taken up a temporary post within the EU.

- 1) A valid passport;
- 2) If I have never had a residence permit, **proof of the date I moved to France:** lease contract, certificate of ownership issued by a notary, home insurance contract, certificate of home insurance or work contract;
- 3) If I am a researcher, either: **my hosting agreement** with a public or private organization that has a research or higher education project, authorized to this effect, certifying my capacity as a researcher as well as the purpose of the duration of my stay in France;  
Or, if I am a researcher who has taken up a temporary post in the EU: my **hosting agreement** signed in another EU Member State.

**I am retired/I do not exercise a professional activity, but I have my own resources:**

- I have **sufficient resources** that are at least equal to the earned income supplement (*beneficiaries of the AAH or of the "allocation supplémentaire d'invalidité" are exempted from this resource condition*);
- **Health insurance** (except if I already have a residence permit).

- 1) A valid passport;
- 2) If I have never had a residence permit, **proof of the date I moved to France:** lease contract, certificate of ownership issued by a notary, home insurance contract, certificate of home insurance or work contract;
- 3) **Proof of my resources:** last tax notice (or in the absence thereof and according to my situation: my last pay slip; my last retirement statement; a recent bank account statement). If I am exempted from the resource condition: a document proving that I benefit from the AAH or from the "allocation supplémentaire d'invalidité"
- 4) A recent **health insurance attestation** (less than 3 months old).

I have lived in France for less than 5 years

I am a British national or their third-party national family member

I am the spouse/ registered partner/ direct offspring/ direct parent or grandparent of a British national or their spouse:

- My **familial relationship** must have existed before the United Kingdom's withdrawal date from the EU;
- The British national to whom I am related must have their own **residence permit** in France granted due to their presence in France before the withdrawal date;
- I must have been living in **France before the withdrawal date**;
- I must be financially supported if I am their child and 21 years old or older / direct parent or grandparent of the British family member or their spouse

1) A valid passport;

2) If I am a third-country national: my residence permit

If I am British and only in the case where I never had a residence permit: **proof of the date I moved to France:** lease contract, certificate of ownership issued by a notary, home insurance contract, certificate of home insurance or work contract;

3) Proof that I am a family member:

- I am the spouse of a British national: copy of marriage certificate or family record book; Civil Union;
- I am the direct adult child of a British national: copy of birth certificate with filiation or family record book;
- I am the direct adult child of the spouse of a British national: copy of the birth certificate with filiation and copy of the marriage certificate/Civil Union, or family record book;
- I am the direct parent or grandparent of a British national: copy of the birth certificate with filiation of the offspring who is supporting me;
- I am the direct parent or grandparent of the spouse of a British national: copy of the birth certificate with filiation of the offspring who is supporting me and copy of the marriage certificate/Civil Union;

4) Proof of my coverage (only to be provided in one of the following cases) :

If I am the direct offspring of a British national or their spouse and I am over 21 years old:

- documents proving the material or financial support provided by my family member: proof that they transfer sums of money to my account (wire transfer orders over the 3 months preceding my request; or bank account statements from the past 3 months preceding my request; or inclusion as a dependent on my British family member's income tax declaration) or proof that I am housed by my British family member (administrative document less than three months old presenting an address identical to that of my family member);

If I am the direct parent or grandparent of a British national or their spouse:

- proof that they transfer sums of money to my account (wire transfer orders over the 3 months preceding my request; or my bank account statements from the past 3 months preceding my request; or inclusion as a dependent on my British family member's tax declaration) or proof that I am housed by my British family member (administrative document less than three months old presenting an address identical to that of my family member)

5) A copy of my British family member's passport;

6) In case there was a change in the family's composition, which occurred before the United Kingdom's withdrawal date, the proof of this change: death certificate, divorce ruling or decision to annul the marriage, a certificate proving that my children are enrolled in school in France
