

## **Revolut address**

Since Brexit, your account has been migrated to our Lithuanian entity, so you'll need to use this address:

Revolut Payments UAB

Konstitucijos ave. 21B

08130 Vilnius

Republic of Lithuania

If you've made investments and received capital gains or dividends, you'll also need to report them in your income statement. These profits may be subject to tax in accordance with national tax rules. It's your responsibility to understand how to declare, and to make tax payments.

This doesn't exempt you from consulting the legal provisions in force or from obtaining more information from the tax authorities or from your accountant.
